USAID is accepting applications for the following local-hire position:

POSITION TITLE : Program Assistant
NUMBER OF POSITIONS : One (1)
GRADE : Foreign Service National (FSN – 8)
OPENING DATE : July 10, 2008
CLOSING DATE : July 24, 2008
WORK HOURS : Full-time; 40 hours/week

USAID/BENIN is an equal opportunity organization. We encourage full participation of all qualified and interested persons. Persons with disabilities will be assisted and receive reasonable accommodation.

I. BASIC FUNCTION OF POSITION

The primary purpose of this position is to serve as a Program Management Assistant within the USAID/Benin Family Health Team. The Family Health Team is USAID/Benin's largest technical office with over half of the mission budget and generates a large volume of work, including activity planning, documentation preparation and monitoring, consultant coordination, Embassy liaison work, and interaction with host-government, NGOs, donor and private-sector contacts among other activities. As a member of the Family Health team, the Program Management Assistant ensures the provision of high quality program, administrative, and financial data monitoring support services to the Team.

The Family Health team's annual budget for 2008 is approximately \$22 million. There are currently four staff members, with four additional members to join the team in the fall of 2008, creating a substantial administrative and budget tracking workload.

The Program Management Assistant is responsible for providing programmatic, budget tracking, administrative, and operational support for the Family Health Team. The incumbent will employ strong coordination and planning skills to ensure that programmatic, budget tracking and administrative needs are accurately assessed and summarily accomplished in a professional manner. The Program Management Assistant is also responsible for coordinating administrative support with the Basic Education Administrative Assistant to make sure that the Family Health Team is able to fully meet its daily work objectives,

The Program Management Assistant shall perform his/her responsibilities under the direct supervision and in close coordination with the Health Team Leader.

II. MAJOR DUTIES AND RESPONSIBILITIES

The incumbent will perform a wide range of programmatic, budget tracking, administrative, and operational functions. These include, but are not limited to, the functions described below

Programmatic support (70%)

The incumbent shall manage complex budget tracking activities, provide meeting logistics support, and manage correspondence (and analytical duties) in support of the Family Health Team and implementation of program operations. More specifically, the incumbent:

- Prepares edits and tracks Implementation Letters, action memoranda, and other financial commitment documents issued by the Family Health Team to make sure they are prepared and signed in a timely manner.
- Maintains the family health Team budget line items by account into the budget tracking system once the Operational Plan is prepared, finalized and approved by USAID/Washington;
- Monitors the implementation of the Operational Plan to ensure issues are identified and fundings are appropriately spent;
- Assist the Team Leader in coordinating completion of Semi-Annual Portfolio Review documentation;
- Assists Project Managers (CTOs) and their alternates with management of vouchers submitted by implementing partners (grants and cooperative agreements) and local contractors. More specifically, manages the financial information in the budget tracking system;
- Provides accurate periodic budget status reports to the Family Health Team Leader, CTOs and the Office of Program Coordination to assess portfolio funding level.
- Ensures adherence to USAID/Benin administrative and programmatic procedures, recommends organizational and operational improvements, and develops administrative support plans to meet the objective of increasing the efficiency of the Family Health Team operations;
- Assists with dissemination of USAID guidance and insures the distribution of policies and procedures to all team members;
- Responds to requests for information regarding the Family Health programs from within and outside the Agency. Coordinates the review and response to unsolicited proposals, with inputs from the Team Leader, the Deputy Team Leader and CTOs as appropriate;
- Coordinates communications with and travel in Benin of staff from USAID/Washington centrally-based programs;
- Prepares and updates, as necessary, briefing materials for visitors and ensures the accuracy of these materials. The incumbent will also assist in developing and updating Power Point presentations as required;
- Prepares or coordinates the issuance of all documents needed by implementing partners or consultants to operate (certification, letter of privilege, and other requests from institutional contractors to be submitted to Government of Benin customs authorities);
- Acts as an official representative of USAID in obtaining information and documents from contractors, attending meetings as required, and reporting on the status of selected activities;
- The Program Management Assistant may be required to oversee and/or perform special projects, including those that are designed to improve office management.

Administrative Support**(30%)**

- Handles all incoming and outgoing correspondence. This includes overseeing, drafting, processing and distributing cables, letters, memoranda and other documents in English and French as required by the Team Leader and members of the staff, assuring that each is carefully reviewed for accuracy, completeness and proper formatting;
- Receives and places telephone calls in English and/or French, as required, takes and leaves messages, answers questions or directs callers to other staff members;
- Sets up meetings and schedules appointments as requested;
- Maintains a comprehensive office calendar for the Family Health Team. Updates the calendar periodically to reflect changes.
- Ensures that appropriate logistical support for travel is provided to staff members. Processes travel requests for partners and colleagues. Receives and assists visitors (USAID/Washington, CDC/Atlanta and other consultants); by making travel/transportation arrangements and hotel reservations;
- Updates Family Health Team work plan, agenda for weekly meetings (internal Family Health Team meeting, meeting with the Mission Director and Senior Management Team meeting) and other time-sensitive documents on a regular basis, and ensures that the Family Health Team Leader is aware of changes;
- Maintains an office filing system that is user-friendly and in accordance with the established USAID Records Management System guidance;
- Ensures that the Family Health Team Office equipment and supplies are adequately maintained and stocked. Orders office supplies, equipment maintenance, and repair for Family Health Team Office equipment as appropriate;
- Keeps at hand a supply of the most commonly used Mission forms, as well as a copy of key documents such as the Results Framework, Operational Plan, Contracts, Cooperative Agreements, Grants, etc;
- Assists contractors with visa and passport support;
- Accomplishes all duties associated with monitoring time and attendance of Family Health Team members;
- In collaboration with the Basic Education Administrative Assistant, plans major engagements, VIP visits, large representational events, and other work-related functions;
- Performs ad hoc tasks that support the efficient operation of the Family Health office.

When the incumbent is very busy or absent, the Basic Education Administrative Assistant will provide administrative support to the Family Health Team.

III. OTHER SIGNIFICANT FACTS:

- a. Supervision Received: The incumbent is supervised by the Family Health Team Leader. The employee is expected to carry out assignments with a considerable degree of independence. Meets regularly with Family Health Team Leader to discuss status of activities and receive additional guidance.
